Description Highly tested and compatible with the whole range of GIVI MONOKEY and MONOLOCK cases, this fitting system for top cases is composed of a light alloy or plastic plate mounted by the exclusive adjustable joints (GIVI patented) made of a light die cast alloy, that allow the perfect adjustment of the plate to the motorcycle lines in every situation. Practicality and ease of use are guaranteed by the quick and essential assembling/disassembling system and by the availability of specific fitting kits for the latest motorcycle models. This Monorack must be combined with the M35 plate kit for MONOKEY cases and the M35M for MONOLOCK cases.
