Description The Givi AIRFLOW is the most versatile Givi windshield to date. This stylish, well-constructed replacement windscreen features improved height and shape with top-notch quality. Mounts in minutes using stock fasteners. Features clear tint and precision-cut shape. The adjustable spoiler allows the rider on the fly to easily and quickly make adjustments along the 4.7" (12cm) of travel. Made of transparent polycarbonate, the adjustable spoiler is infinitely adjustable. Once the desired setting has been selected a simple and secure clamp will keep it in place.
