Description

It is difficult to compete with the E470NTA. A newer addition on the market this case offers 47 liters, the maximum offered in the Monolock range. Aesthetically pleasing and adaptable to low and medium displacement motorcycles, the E470NTA offers the novelty of a removable painted cover mounted on the top shell, an aesthetic refinement which used to be exclusive to the Monokey range. The wide reflector on both sides of the top shell increases the riders visibility.
