Description

GIVI SRA2101 Rear Plate is a bike specific aluminium rear plate kit for Yamaha XT1200Z Super Tenere. The kit is designed to take GIVI Monokey Top Boxes only. All parts needed to mount the GIVI SRA2101 Aluminium Rear Plate are included. Installs quickly using simple hand tools. It can be installed with the original side-case. To open the original side cases you must remove the back top case from the plate. Maximum load allowed 6 kg. Please note that neither the Givi stop light kit nor the Givi remote control device can be used with this plate.
