Description

This 46 liter matte black top case is set apart from the rest. With its modern design, easy to open lock feature, wide lens and the replaceable color lid panels, this case can hold two large helmets full face helmets (not modular type). The lids can be changed to suit or match your bike (subject to color availability). The optional accessories offer great finishing touches and additional practical solutions. Sold separately, additional accessories are available including a brake light kit to improve visibility, an interior light to brighten the inside of the case, an inner bag allowing quick removal of your goods, a top case rack to provide more packing options and a back pad to increase passenger comfort.
